

**We are looking for Technician and/or Supplier**

Candidate:

If you are an engineer/diploma in Electronics Instrumentation & Process Control, preferably with experience in design/manufacture of electronic circuits for Universal & Compression Testing Machines you may be the team leader in our Kolkata factory. Please send your reply by mail stating experience, if any, to **etsin@satyam.net.in** or **ets123456@gmail.com**

Vendor/Supplier:

If you have the ability to design and supply electronic circuits (preferably with software) for our Universal & Compression Testing Machines, we welcome you for a discussion for a long term business relation. In this regard, you may contact Mr.G.Ghosh (Mobile No.9331412087) or send your reply by mail to: **etsin@satyam.net.in** or **ets123456@gmail.com**
